

Conference Exhibition Prospectus

3-6 September 2025

Hosted by the
British Association for Behavioural & Cognitive Psychotherapies

ABOUT THE EXHIBITION

EABCT is the largest regional CBT association in the world with a membership of 56 CBT associations from 38 different countries from every corner of Europe. The combined membership of these associations is well over 60,000. Every year EABCT holds its annual congress in a different European country and in 2025 it will be in Glasgow, Scotland.

The congress will be hosted by BABCP who are combining their annual conference with the EABCT Congress in Glasgow. BABCP is the lead organisation for people involved in the practice and theory of Cognitive Behaviour Therapy (CBT) in the UK and Ireland and the largest association in the EABCT. It is the only organisation in the UK and Ireland which accredits CBT therapists and currently have more than 20,000 members.

BABCP's and EABCT's membership is multi-disciplinary and members include:

Clinical Psychologists • Researchers and Academics • Educational Psychologists • Occupational Therapists • Psychiatrists
Social Workers • Speech Therapists • General Practitioners • Nurses • Counsellors • Teachers • Students

EABCT Congresses and the BABCP Annual Conference and Workshops are always well attended and lively events. The 2024 EABCT Congress in Belgrade, Serbia attracted nearly 1,500 delegates from 63 countries and the 2024 BABCP Conference in Manchester included over 1,000 delegates. We anticipate that the Congress in Glasgow will reach 2,000 delegates.

Advertising or exhibiting at the Congress in Glasgow is the perfect opportunity for you to reach not only BABCP members but a wider audience across Europe and the world.
